

Interested in becoming a Move to Manufacturing Employer Partner?

When you partner with Move To Manufacturing, your potential employees will receive FREE training. Plus, participants don't have to quit their current job to participate!

Benefits for Companies

SAVE MONEY AND REDUCE EMPLOYEE TURNOVER

After completing the program, employees know what to expect in the manufacturing industry making them more likely to stay.

HIRE QUALITY EMPLOYEES

Have confidence that your employees come prepared with the knowledge and skills they need.

IMPROVE EMPLOYEE MORALE

Know you've hired hard workers and get rid of the "revolving door" of employees.

KEEP MONEY IN YOUR COMMUNITY

With your employees making a livable wage, they are able to keep your community sustainable.

Move To Manufacturing gives you the confidence knowing you are hiring motivated and knowledgeable employees!

What's Expected:

FREE COMPANY TOURS

Participants will have the chance to tour partnering companies allowing them see work environments before they start working.

GUARANTEED LOCAL JOB INTERVIEW

Give participants the opportunity to interview with your company.

PROVIDE LIVEABLE WAGE

Jobs start at **\$17+ per hour** with a **\$500 bonus** within the first 90 days.
